

Bailey's Court Primary School Sports Premium 2021-22 Additional income: 19, 400 (+ £2, 400 from previous year)

Priorities	How	timescale	Actions taken/ <i>needed/who</i>	cost	Outcomes sought	Evaluation
To raise the standards of teaching in PE.	Develop high quality CPD training for all teachers. Buy in professional coaches to deliver high quality PE sessions for children and provide training to staff as to how to deliver these for themselves in the future. Each class to have two 6 one hour sessions and staff training during the year. Focus areas to include dance, archery, basketball, netball and gymnastics	Ongoing all year	DHT and PE leaders to source PE coaches to provide sessions	Approx £5000	Increased confidence and skills of teachers accessing curriculum.	This was revised in the beginning of Term 1 and the decision was made not to go ahead with this due to the inconsistency of the impact various sport coaches were having. Instead a variety of specialist sports providers were brought into school to give children new experiences. Every year group benefitted and the children showed and reported great enjoyment from these sessions. It has been decided to extend this initiative into next year in the hope that a large number of children take up these new sports in their own time out of school.
To provide support and training to staff to deliver school PE scheme successfully	PE leaders to be released to work with teachers to deliver successful lessons using school PE scheme. Each teacher to receive two/three PE sessions of support during the year to monitor impact of teaching and to provide support to develop areas that need improving	Terms 2 - 6	DHT and PE leaders	£2500	Increased confidence and skills of teachers	Staff spent the year becoming familiar with the scheme as they worked through units for the first time. Staff meeting and time being supported by PE leaders was put in place. Staff reported feeling more confident when delivering PE sessions. Staff reported being able to focus more on skill development than they had previously been able to.

Develop new playground leaders.	Develop new playground leader programme – outside provider to provide training and work alongside children	Starting in Term 1 and ongoing.	PE leaders to liaise with Yr 6 teachers.	£0	Leadership skills development in Year 6. More sporting activities available during play and lunch times	Due to Covid-19 restrictions the school was unable to implement this.
Mojo Active to provide half day activities for each class to create sporting cross curricular links.	Mojo Active to provide outdoor pursuit sessions focusing on team building, problem solving and challenge at their activity centre in Almondsbury	Terms 1 - 6	Sessions booked in July for following year. PE leads to monitor impact	£4500	Children to access sporting activities with greater context. Improvement of team building and problem solving. Outdoor and adventurous tasks to be completed.	All classes took part in half day Mojo Active sessions throughout the year. Sessions were very popular with the children and allowed children to further develop their outdoor pursuit skills.
Develop competition South Gloucestershire PE membership	Support competition between schools	ongoing	Secondary school competition packages.	£200	Greater focus on team sport Improved participation	A few competitions were held with local schools but these were restricted due to various Covid outbreaks particularly at the beginning of the year
Training for PE leaders. (WESPORT conference (May))	Targeted training of specific staff	May	N/c + course fees	£0	Sport leader has more awareness of curriculum, good practice and funding uses.	Did not attend due to Covid-19 outbreak this did not take place
Support forest school programme for children at Hortham Farm site.	Funding to increase equipment, site hire, safety equipment and training for staff members. One additional member of staff to be trained this year.	Terms 1 - 6	AL MH EP To lead funding and implementation of forest schools.	£4000	All children to have access to outdoor and adventurous pursuits. Children to develop team work and problem solving skills. Staff members to have increased ability to	Forest school provision has provided each year group with the opportunity to take part in outdoor and adventurous learning and has contributed to children's holistic development.

					promote outdoor and adventurous.	
MiniBus	Improve access to school competitions, football matches and forest school	ongoing	Business manager to lead	£4000	Children to be able to access more sporting events during school time.	The buses have made an enormous difference ensuring children could access forest schools, swimming and Mojo Active sessions.
Updating PE resources and improve safe storage in school.	Identify aged and damaged equipment and replace. Purchase new gym equipment Improve storage of equipment to improve health and safety and longevity of resources.	Ongoing.	PE Leaders	£1500	Equipment is safe and encourages children to access PE. Storage is safe and enables staff to access equipment.	New equipment purchased and updated throughout the year – mainly new balls, team kits, basketball post and net
