### **About the Role**

We are excited to be opening **Bailey Bird Nursery**, our new school-based nursery provision for 3-4 year olds in September 2026. We are seeking an enthusiastic, knowledgeable and inspirational **EYFS Teacher** to **lead the day-to-day practice, provision and learning.**

This is a unique opportunity to:

- **Take a lead role in establishing a high-quality nursery alongside the Senior Leadership Team.** This will start in the summer term, helping to formulate policies, set-up the environment, design the curriculum and meet with new children and their families, preparing them for their start in September.

- Make a real difference to children and families at the start of their learning journey

With the support of **Senior Leaders**, you will be the **lead professional for the nursery**, driving excellent practice and provision.

### **Key Responsibilities**

- Lead high-quality EYFS teaching and learning, bringing warmth, energy and a smile that helps children feel safe, settled and ready to explore
- Create engaging **enabling environments** and **play-rich experiences** - whether that means planning purposeful learning or fully committing to an imaginative role you didn't apply for!
- Supporting children's **communication, language, personal and social development** through strong relationships, reassurance and positive interactions (including singing confidently, if not perfectly)
- Create a nurturing, inclusive space where **every child feels safe, valued and confident** and getting messy is all part of the learning
- Working closely with families to **build strong, positive partnerships** sharing successes, stories and the occasional glitter-related anecdote from the day
- Support and guide nursery staff, **modelling excellent practice**, leading by example and fostering a positive team culture
- Observe, assess and plan responsively, always **keeping children's individual needs and next steps at the heart of your practice**
- Ensuring provision meets **statutory requirements** and school expectations
- Contributing to **transition into Reception** and the wider school community

### **We Are Looking For Someone Who:**

- Is a **qualified teacher (QTS)** with **strong EYFS knowledge**
- **Has secure experience** working within the Early Years Foundation Stage (**3–4 year old** experience desirable)
- Has a secure understanding of **child development and early learning**

- Is reflective, creative and enthusiastic about the EYFS
- Can confidently lead practice while working collaboratively as part of a wider team
- Values inclusion, nurture and high expectations
- Is organised, proactive and excited by the opportunity to build something new

### **Why Join Bailey Bird Nursery?**

- Work within a **supportive leadership team** who value Early Years
- Access high-quality professional development to **support your growth and leadership journey**
- Enjoy strong links with Reception and the wider school curriculum **ensuring smooth transitions for children**
- Be part of a school that believes in **play, nurture, curiosity, ambition and imagination**
- Nurture comes first – **warm relationships and wellbeing** are at the heart of everything we do
- **High-quality play, supporting language, independence and confidence**
- **Every child can fly** - we take pride in **inclusive practice and calm, enabling environments** designed to spark curiosity and exploration
- **Strong partnerships** – we work closely with families from the very start
- Help every child **build confidence** and **aim high** as they move into Reception and beyond.
